Peaches & Herb to Highlight MSC Homecoming Activities

Hoping to set a precedent for years to come, the Student Cabinet and Senate are currently finalizing plans that will make Missouri Southern College's first Homecoming as a four-year institution a real "production." Highlighting the Homecoming events will be a 10 o'clock evening concert featuring Peaches & Herb, the nationally known singing duo.

Homecoming activities will kick off on Friday, November 1, with Alumni Day on campus. Alumni will be treated to tours of the buildings and will be guests of the Senate for refreshments. At 6:30 p.m. that evening an Alumni Banquet will be held in the cafeteria for some 200 alumni of Joplin Junior College, Jasper County Junior College and Missouri Southern College.

Following the banquet will be the Peaches & Herb concert in the College gymnasium.

Saturday's activities will begin with the annual parade through downtown Joplin. "Football" is the theme for the parade which will begin at 2:00 p.m.

The MSC football Lions meet St. Mary's of the Plains, Dodge City, Kansas, in the Homecoming game. The game will begin at 8:00 p.m. with

the 1968 Homecoming Queen to be crowned at halftime. Candidates for the honor will be announced at a later date.

The queen and her court will reign over the traditional Homecoming dance immediately following the game. The dance will be held in the gymnasium with music to be furnished by the Gass Company, an area band from Pittsburg, Kansas.

Tickets for the Peaches & Herb concert will sell for \$2.50 each, and may be purchased in H-305 or the Senate office in the mansion house. Only 2,500 tickets will be available for the performance. There will be no reserved seating.

Tickets for the Homecoming dance will sell for \$1.00 each but two tickets will be given away free when a pair of tickets to the concert are purchased.

Student body president, John Prince, stresses that the Peaches & Herb concert is solely sponsored by the Student Cabinet and Senate. The Senate will conduct a closed ticket sale for the concert through October 15, before

opening sales to the general public.

The Cabinet secured the troupe through the Variety Theater organization of Duluth, Minnesota.

Peaches & Herb will headline the two and a half hour concert. Other performers will supplement the bill, but the Senate has not received word from the tour as to whom they will be.

Since teaming up more than a year ago, the combination of Peaches & Herb has continually headed the nation's "top twenty" record charts. Their first record was "Let's Fall in Love." It was followed by "Close Your Eyes," "For Your Love" and "Love Is Strange." Their current release, "United," is inching its way up local charts.

Peaches, attractive 24 year-old Marlene Mack, was born in Virginia. She moved to New York as a teenager where she began her professional career. Herb, 23 year-old Herb Fame, was born in Washington, D.C. Herb began his singing career as a soloist before joining forces with Peaches.

1968-69 Crossroads Sale To Continue Until Oct. 25

Students who failed to pay for their 1969 Crossroads will be given one last chance to order them. A special 10-day sale starts Monday and will end October 25.

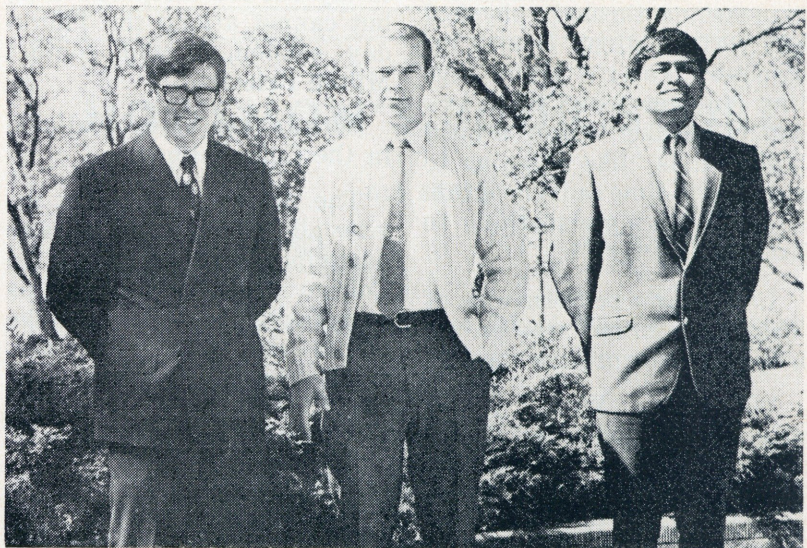

Booths will be set up in the main lobby of Hearnes Hall and in the cafeteria. Students who fail to order yearbooks at this time will be unable to purchase them after publication, according to Ray Mathis, Crossroads editor.

Mathis also announced that the Crossroads photographer will begin taking individual photographs for the 1969 edi-

tion beginning Monday at 9:00 a.m. A special room in the southwest corner of the Mansion House has been converted into a studio.

MSC junior students may have their photographs taken any time during the next week, Mathis said. He also reported that dates for underclassman photographs will be announced as soon as arrangements have been completed.

Mathis requested juniors and seniors to wear dark colored suits or dresses for their photographs.

Steve Miller was elected vice president and Terry Helton, president, in senior class elections, September 25. Larry Flood, right, was appointed by Helton to fill the office of class secretary-treasurer.

Nationally known singing duo, Peaches & Herb, will highlight Homecoming activities with a 10 p.m. concert, November 1, in the College gymnasium.

Student Senate Begins Year And Fills Election Vacancies

The Student Senate activities began October 3 as the new class officers and senators were sworn in by Dean Edward Phinney.

After the newly elected senate members repeated their oaths of office, they immediately started procedures to fill the numerous vacancies in their ranks that had occurred since the elections, September 25 and 27.

The first major vacancy involved the office of Senate parliamentarian. Rick Call, elected last fall, resigned the post due to a conflict of interest. Student body president John Prince nominated John Garrett, a junior, for the position and he was approved by the Senate.

Due to the lack of participation in the senior class elections, a secretary-treasurer and a slate of senators had to be appointed by the class president and then approved by Senate vote. Larry Flood took the office of secretary-treasurer while Mike Franklin, Bob Jordan, Jackie Thomas and

Ross Lauck were appointed senior senators. One senator vacancy still remains to be filled.

In the September election, the seniors elected Terry Helton, president, and Steve Miller, vice president.

Elected junior class officers are Jay Bonitt, president; Dave Ansley, vice president; and Linda Moss, secretary-treasurer. Senators are Mike Clinton, Brad Osborn, Janice Smith and Steve Smith. Lynn Jones was appointed to the junior senate seat vacated by new Parliamentarian Garrett.

The sophomore and freshman senate members stand as elected.

Sophomore officers are Ron Mitchell, president; Steve Crockett, vice president; and Brenda Parker, secretary-treasurer. Senators are Dan Burns, Lynn Dasbach, Tom Gray, Pat Kelly, Joe Kodba, Lynn Murray and Colleen O'Flaherty.

Freshmen elected to office are Don Miller, president; Pat

Ryan, vice president; and Diana Lenger, secretary-treasurer. Senators are Bruce Arnce, Randy Harris, Joe Kelly, Tom Laster, Gale Mudd, Debbie Riggs, Rod St. Clair, and Kathy Van Kooten.

Senate President Prince also nominated the chief and associate justices to the newly created traffic court. Approved by the Senate as associate justices were Larry Schroeder, junior; Mike Storm, senior; and Ron Richards, senior. Richards had been elected senior class senator but resigned his position for his place on the court.

Senate did not vote on Prince's nominee for the Court's Chief Justice. The nominee was unable to attend the Senate meeting, so the vote will take place at the next senate meeting.

The proposed constitution passed in the election, September 25, by a vote of 422 for it, and 127 against ratification.

The Chart

The Chart, the official student newspaper of Missouri Southern College, Joplin, Missouri, 64801, publishes 18 issues during the school year. It is a member of the Missouri College Newspaper Association.

Student NEA to Conduct Educational Workshop

Jack Cozean of the Missouri State Teachers Association, and Dayrl Berry of the Kansas State Teachers Association, two prominent educators, will be consultants and speakers for a workshop sponsored by the MSC Student NEA, at 7:30 p.m., on October 17, in the Spiva Art Center.

The theme of the program is "Tomorrows Opportunities in Teaching." SNEA is now sending letters to area high schools inviting FTA groups and other interested students and teachers as special guests. The meeting is open to the public, and refreshments will be served.

Among the coming events for the local SNEA are the

Southwest Missouri Teachers Meeting in Springfield on October 18, the Missouri State Teachers Convention in Kansas City on November 6-8, the Tulsa opera Rigoletto on November 9, and the Four-State Student NEA Convention in Oklahoma City March 15-16.

At the present members of the SNEA are compiling a cookbook featuring the favorite recipes of the MSC faculty. A highlight of the cookbook will be caricature drawing of each member that has a recipe accepted for the cookbook.

The membership drive for the local SNEA closes October 15. Students wanting to join must do so before that date.

Drama Department Schedules 'Dandelion Wine' Tryouts

Tryouts will be held October 24 for the drama department's second production, "Dandelion Wine."

The play deals with the experiences of a young boy as seen through the eyes of adults. The characters are set in a mid-western town during the summer of 1928.

"Dandelion Wine" will be produced in the form of interpreter's theatre. This form attempts to create literary expressions through physical and verbal actions. Drama instructor Duane Hunt says that interpreter's theatre should be like "seeing a good book." It is "like listening to a good, old-time radio program and still having something to look at."

Last year's performance of "Anna Karenina" was an example of interpretive theatre.

"Dandelion Wine" is an original adaptation by Duane Hunt from a story by Ray Bradbury. Hunt, MSC drama instructor, is one of two men in the United States who have Bradbury's permission to adapt his works.

Hunt's adaptation was written and produced as a one-act play for the National Educational Theatre Convention in 1961. It was published in the "Reader's Theatre Handbook," by Cogger and White. The MSC production will be a lengthened version of Hunt's original adaption.

Tryouts for the play will be held from 2 to 5 p.m., Thursday, October 24, at the Barn Theatre. Anyone who wishes to try out for the production, but cannot attend the Thursday session, should contact Milton Brietzke.

Scripts are now available in the College library.

The drama department invites all interested students to participate in the tryouts. No College drama experience is necessary, for, as Brietzke points out, 10 of the 19 students currently in rehearsal for "Dark of the Moon" are new faces to the MSC stage.

"Dark of the Moon," the year's first production, will be performed November 6-9. "Dandelion Wine" has been tentatively scheduled for December 11-14.

Scholarship Recipients To Be Honored

The Eta Chi chapter of Phi Theta Kappa will host an Honors Banquet for scholarship recipients and donors, at 6:30 p.m., October 28, in the College cafeteria. Also at the banquet, Phi Theta Kappa will conduct initiation ceremonies for new members.

Dr. Floyd Belk, chairman of the scholarships, aids and awards committee, said that the banquet will honor outstanding students who have received scholarships and will give them an opportunity to meet the donors of their scholarships.

Recipients of both patron scholarships, such as donated by area businesses, and the President's and Dean's scholarships will be honored. The President's scholarships are given to the valedictorians and salutatorians of area high schools. The Dean's scholarships are presented as academic scholarships to students who rank in the top ten per cent of their classes.

The high school principals of students who have received the President's and Dean's scholarships have also been invited to attend the Honors Banquet.

Approximately 80 patron scholarship winners will be honored. Between 300 and 400 persons are expected to attend the banquet.

Invitations have been sent to 22 MSC students who are eligible to join Phi Theta Kappa. The students who wish to become members of the organization will be initiated in ceremonies at the banquet.

The Honors Banquet will launch activities for Homecoming week.

Student Court To Decide Traffic Cases

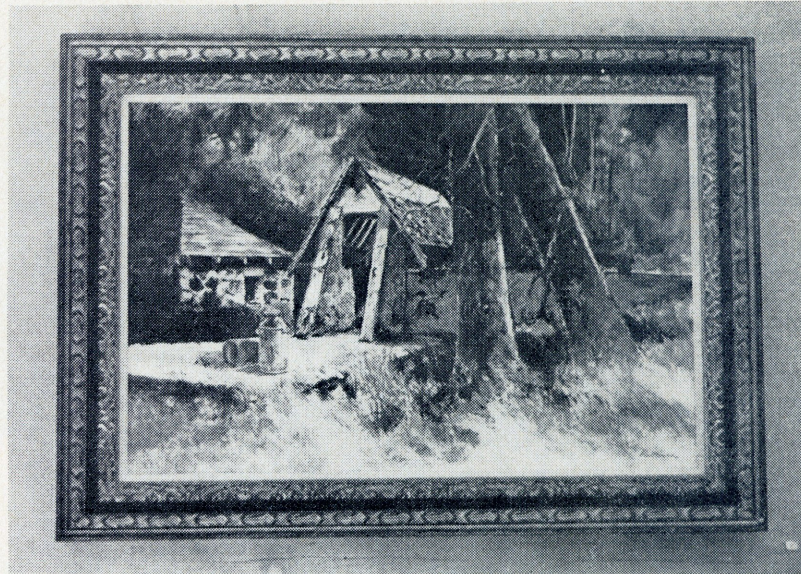

Hours in which the Student Court will be in session have been announced.

The Court will meet on the second and fourth Tuesdays of each month, beginning at 1:30 p.m. The Court will convene in the mansion house.

Students who have grievances or who wish to appeal traffic decisions must pick up an official notification slip from Dean Stegge's office. The slip must be filled out and returned to the office before they will be allowed to appear before the Court.

Students with traffic complaints must bring their traffic ticket with them to the Court session.

The newly created Student Court consists of a Chief Justice and three Associate Justices. The Associate Justices are Mike Storm, Ron Richards and Larry Schroeder. The Chief Justice has not been announced yet.

Works by Robert Higgs are now being featured in a showing at the Spiva Art Center.

Collector's Exhibit To Show Higgs' Works

Robert Higgs' collector's exhibit, presently showing in the Spiva Art Center, includes 63 paintings which represent the life work of the artist.

"The Old Spring House," pictured in the accompanying photograph, is representative of Higgs' works.

A native of Anderson, Missouri, Higgs began painting in oil and water colors as a boy. Since then his paintings have become nationally known. He also became a master of the fast-drying acrylic polymer.

The artist is the recipient of many awards, including a purchase award in the 1965

Watercolor U.S.A. show and first prize in the Second Annual Show of the School of the Ozarks.

Higgs exhibited works in Sante Fe, New Mexico; Tulsa, Oklahoma; Kansas City and Springfield, Missouri; Pittsburg and Wichita, Kansas; Dallas, Texas; Canton, Ohio; and Orange, California. Two of his paintings appeared in the Ford Building at the 1964-65 World's Fair held in New York City.

As a companion exhibit to the Robert Higgs show, Gene Craig will exhibit polymer and water color works on the east wall of the gallery.

JOTS

John Prince, president of the student body, has announced that work on the 1968-69 "Lion's Track" will begin soon. The student directory will contain phone numbers and addresses of all MSC students and will be available through the Student Senate at a later date. Prince stated that the "Lion's Track" will be considerably larger this year because of the increased enrollment at MSC.

Young Democrats sponsored a bonfire and pep rally October 4 for the football team. At the rally, led by the cheerleaders, Coach Jim Johnson was introduced by Herb Gailley, president of the Young Democrats. Johnson then introduced members of the football team to the crowd.

The Math Club will sponsor a math tutoring session at 8 o'clock and 2 o'clock on Tuesdays and at 12 o'clock on Thursdays in room S-302. In another project, the club purchased a portable blackboard for the specific use of any organization meeting in the Lion's Den.

College President Leon Billingsly has asked that a "President's Club" be formed to meet and advise him on student activities. The club will consist of class officers and the presidents of every campus organization and will meet every Friday with the President. The club will meet at 7 a.m. in the teacher's lounge in the cafeteria beginning October 11.

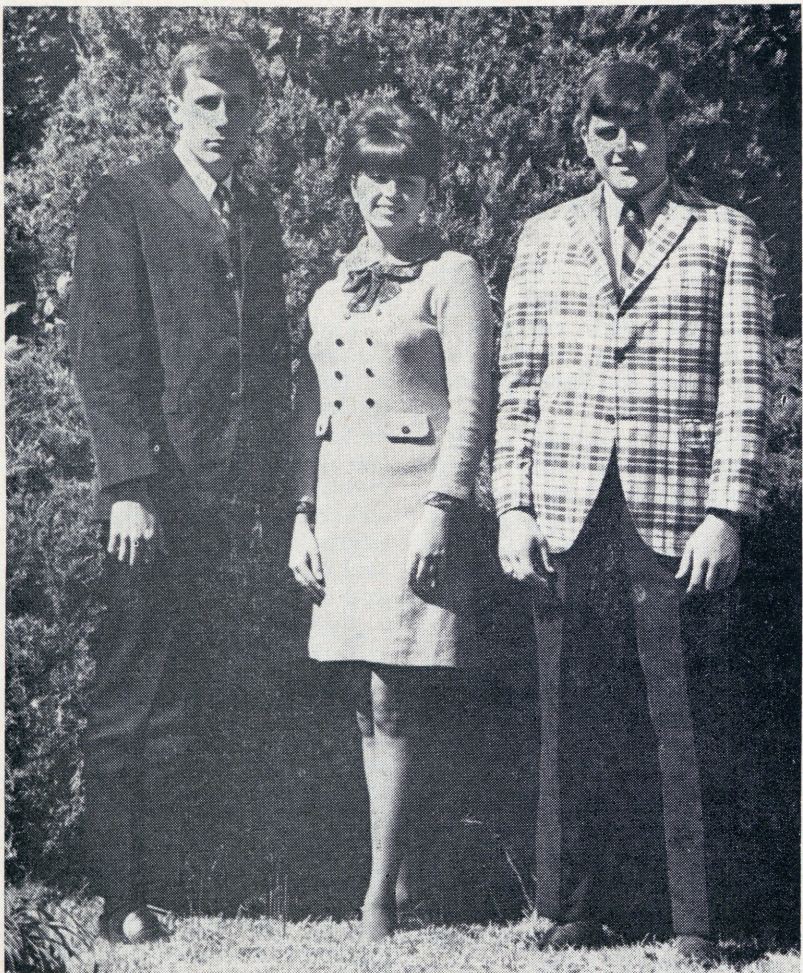

Engineer's Club has announced that if the demand

is great enough a slide rule tutoring session will be held at 8, 10, 12 and 2 o'clock on Tuesdays and Thursdays. A small charge will be necessary for students who did not purchase their slide rules from the Engineer's Club.

Phillip Graham, a 1966 graduate of Jasper County Junior College, recently received a traineeship from Stanford University for work in "Mathematical Studies of Educational Processes." Graham will work with Dr. Lee Cromboch, former president of the American Psychological Association in Palo Alto, California. His work will be one-half research and one-half course work. After leaving JCJC, Graham attended Duke University, where he graduated with honors last spring.

Student Senate is inviting campus organizations to enter floats in the Homecoming parade, 2:00 p.m., Saturday, November 2. The club with the winning float will be presented \$50. Second place will receive \$25. The third place winner will receive \$10. The first three winning floats will also receive trophies. Entries should be submitted to Ross Lauck or Senate by October 15.

Fred Cinotto, director of placement; James Maupin, dean of semi-professional and technical education; and Dudley Stegge, dean of men, attended a meeting of the North Central Council of Junior Colleges, Monday and Tuesday, in St. Louis.

Junior class officers for the 1968-69 year are Jay Bonitt, president; Linda Moss, secretary-treasurer; and David Ansley, vice president.

Ron Unser, ECM Director, Explains Purpose of Movement

"A place for everyone to come and do their thing." That is how Ron Unser, director of the Ecumenical Campus Ministry, explained the purpose of ECM on MSC's campus.

ECM is a branch of the University Christian Movement and, as Ron explained, "it is a movement; not an organization." It is composed of a group of students, of all denominations, who have come together to find other students with similar interests and goals and are working together now to provide our campus and students with information, entertainment and a place to go."

In the near future, ECM will establish itself in a new center at Duquesne and Newman Road. Plans include a coffee house in the building which will be open to students Wednesday, Friday and Sat-

urday nights.

Realizing that many young men do not understand the draft, the new center will include a Draft Information Center which will provide objective information on all facets of the draft. They will also sell "underground newspapers" in order that our students may be aware of what is happening on other campuses.

A group of students in ECM went to St. Louis, October 5-6, with the purpose of setting up a UCM on the state level in Missouri. On October 20, ECM will be showing three experimental films which will be open to all students.

According to Ron Unser, the group will be meeting on Sunday nights when the new center is in use. Further information may be obtained from Unser.

Modern Language Club Forms Three Separate Organizations

For the first time, the Modern Language Club will offer separate activities and interests for students of Spanish, French and German.

Although certain projects, such as the planned homecoming float, will be completed as a group, the club will now hold separate monthly meetings for students of the three languages.

Students who have taken a foreign language or are presently enrolled in a language course are eligible for membership. The evening meetings are expected to be held at the College.

New sponsors of the club are Francisco Colon, Miss Rita Hollingsworth and Paul Shairer.

Spanish club officers are Linda Colon, president; Laura Flesch, vice president; and Wilda Wilson, secretary-treasurer.

Temporary German club officers include Walter Donnelly, president; Catherine Day, vice president; and Christine Heisten, secretary-treasurer.

Officers of the French division are Linda Foster, president; Ellen Murray, vice president; and Carolyn Estes, secretary-treasurer.

MSC Students Hear Governor Speak at Rally

Thirteen members of the MSC students for Hearnese group heard the governor as he spoke at a tri-county Democratic rally in Neosho municipal auditorium, October 2.

Carrying placards, wearing white hats, the group sported an assortment of leaflets and stickers that said, "He cares for MSC."

The newly-formed organization met the governor earlier that day at the Joplin airport. Gary Roney, chairman and spokesman for the group, presented Hearnese with the 1968 dedication copy of the Missouri Southern yearbook, the Crossroads.

Roney, a senior majoring in education, emphasized that the group is bipartisan in nature. He said, "Our group feels the governor has played a major role in inaugurating MSC as a four-year college and we are just simply supporting the individual man and his fine record." He added that he feels that "the College should be very proud of the efforts and the ultimate formation of MSC under the present administration."

However in his Neosho speech, Governor Hearnese said that he never asked credit for Missouri Southern College. "The full credit," he added, "belongs to the people of that area, their delegates to the General Assembly and other members of the General Assembly."

Roney added that "Warren E. Hearnese has been the only governor in the modern political history for this area to give the area people full credit for their initiative and self-help."

Students attending the Neosho Democratic rally included Roney and his wife, Diane, Jane Betebner, Joe Leonard, Carole Rusaw, John Perkins, Mike Storm, Herb Gailey, Bill Parker, Ann Crusa, Rita Fitzgerald, Lynn Murray and Bus Davis.

Math League Holds Meeting To Organize Competition

The Math League held its organization meeting September 23 in the College cafeteria with Dr. James Altendorf, Science and Math Division Chairman, presiding. High school principals and math teachers from 15 area schools were present.

The 15 schools represented were Carl Junction, Carthage, Diamond, Joplin Memorial, Joplin Parkwood, McAuley, Lamar, Webb City, Liberal, Miller, Neosho, Our Lady of the Ozarks at Carthage, Pierce City, Seneca and Verona. Two additional schools which had expressed an interest in the competition were unable to attend.

A nine member team represents each school in the competition. The teams are divided into three groups, each group receiving different types of problems to be solved on an individual basis. Twenty-five minutes is allotted for the individual part of the tests. Following a 10-minute break, an additional 10 minutes is allowed for each team to solve a problem collectively.

After each meet, the teams are informed of their rank in relation to other teams, but they are not told who is above or below them.

Scholarships are awarded to the highest individuals, and the highest scoring team receives a trophy.

Phi Theta Kappa Announces Membership Requirements

Requirements for admission to MSC's Eta Chi chapter of Phi Theta Kappa, the national junior college scholastic fraternity, have been announced for the current school year.

The purpose of the organization, admission to which is limited to sophomores and freshmen, is to develop character, promote scholarship and cultivate fellowship among students in junior colleges throughout the country. The junior division of MSC is considered as a junior college, supported by the area.

Requirements for entry into Phi Theta Kappa are that a student must have good moral character and possess recognized qualities of citizenship as judged by the MSC administration; the student must have completed at least 15 hours at the College; the student must have a grade point average of 3.5 at the end of his first semester, a cumulative average of 3.4 at the end of his second semester, 3.3 at the end of his third semester,

or 3.2 at the end of his fourth semester.

The student must be carrying at least 15 hours per week, 12 of which must be in courses leading to a baccalaureate degree. To be eligible for membership, the student must be in the upper scholastic 10 percent of the regularly enrolled student body. To maintain active membership, a student must carry at least 15 hours and maintain a 3.0 GPA per semester.

Additional requirements also must be met. Any student desiring information is asked to confer with either one of PTK sponsors, Larry Martin or Mrs. Grace Mitchell.

Currently, Phi Theta Kappa has 22 members. Officers in the club are Linda Colon, president; Jackie Oakes, vice president; Susan Hunter, secretary; Colleen O'Flaherty, treasurer; Jim Moss, reporter; Suzanne Hill and Trudy Rataczak, historians.

Phi Theta Kappa meets every Tuesday at 12:00 noon in H-212.

Athletic Dept. To Consider Intramurals

Students interested in participating in fall or spring intramural sports should pick up a survey blank in Dr. Curtiss Twenter's office, gym-120, or at Dr. Charles Niess's office, S-214. All entries should be returned to the offices by 5 p.m., October 21.

This is the first year that MSC has offered an intramural program in which both men and women may participate. Times for the events will be announced after the survey blanks are returned.

All students are eligible for competition. Varsity athletes are ineligible to participate in the sport or related sports in which they participate as varsity players.

Men and women may participate in basketball, track and field, soccer, archery, badminton, volleyball, bowling, tennis, swimming, softball, golf and other special events.

The purpose of the intramural program is to provide recreational and competitive activities for students as well as faculty members.

English Majors To Form Club

English majors will hold an organizational meeting at 3 o'clock, Sunday afternoon, at the home of Jackie Thomas, 844 South Hall, Webb City.

The group will write a constitution for the proposed English club and consider possible names.

In Puerto Rico . . .

Barbara Gillis Represents Missouri in Contest

Barbara Gillis, MSC sophomore, visited San Juan, Puerto Rico, this summer as Missouri's entry in the contest to select the International Posture Queen.

Barbara, daughter of Mr. and Mrs. George Gillis of Joplin, began her trip back in April when she entered the district contest at Neosho. She was sponsored by Dr. James Cummings, a local chiropractor.

After competing with six other contestants, Barbara won the honor and the right to compete in the state contest.

As representative from southwest Missouri, Barbara entered the state contest, June 7 at Poplar Bluff, Missouri. Among the judges at the state contest was Missouri's Senator Edward V. Long.

Barbara emerged the winner from the state contest and found that she had to be ready to leave for San Juan and the International contest in two days. With her sponsor, Dr. Cummings, and her chaperone, Mrs. Shirley Craft, Barbara hopped aboard an Eastern Airline flight to San Juan.

Mrs. Craft, of St. Louis, is the wife of the president of the Missouri State Chiropractic Association.

Barbara not only had her transportation expenses paid, but was also given \$300 spending money for her five day stay. While in Puerto Rico, Barbara and other contestants were treated to sight-seeing tours, including a tour of the governor's mansion in San Juan.

The girls were also featured in a 35-mile parade during their stay. Rain, however,

spoiled 17 lovely hair-dos that day.

The International Posture Contest was conducted much as the Miss America pageant in the United States. Although no talent section was included, the girls were subjected to rigorous physical fitness tests. Other factors involved besides posture were poise, carriage and modeling in formal gowns and swimsuits.

Barbara competed against 16 other girls in the contest. Twelve, including Barbara, were from the United States and five were from other countries. Miss Kentucky won the International Posture Queen title.

For being an international contestant Barbara won a television and various other prizes. She also had the experience of speaking on Puerto Rican radio and television.

The entire pageant was televised in Puerto Rico.

Since Barbara has returned from her trip, she has appeared on KUHI-TV's "Spotlight on Women" program and has represented Missouri as Posture Queen.

Barbara urges other college girls to enter the posture contest. The contest is open to girls 17-22 years of age. Each girl must have a local chiropractor as a sponsor. Girls wishing further information should contact Barbara.

Art League Makes Plans

MSC Art League met October 1 to plan activities and appoint committees.

Upcoming events for the Art League are Homecoming and Christmas floats, being featured by the yearbook, and a project of group sculpturing. The league and Darrell Dishman, club sponsor, are also sponsoring a student display in the art building's balcony consisting of student art works. Each student is displaying five or more works that may be purchased.

Dishman is sponsoring the poster committee with Kerri Estes serving as chairman. A new approach has been taken toward the posters. A standardized form is being adopted with only a noticeable change in dates. Since there are 20 posters to be distributed, a uniformity will make the job much simpler.

A committee for activities, with Sandi Jennings as chairman, was also formed in the meeting. The duties of this committee will be to enlist new members, promote school spirit and organize and plan socials for the group.

Art League meets at 7:30 p.m. on the second and fourth Tuesdays of each month.

Officers for the year are Gary Bowling, president; Jan Waltz, secretary-treasurer; Gary Flenner, publicity manager; and Kerri Estes, comanager.

Steve Luebber . . .

Sophomore Spends Summers Pitching in Pro Baseball

Although Missouri Southern College does not have a baseball team, as yet, it does sport a young pitcher who may be making headlines one day. Steve Luebber, a sophomore, is under a professional contract for the Minnesota Twins.

Steve, a graduate of Joplin High School where he lettered in both baseball and basketball, has been playing pro baseball for two years. In his first summer after high school, Steve was midway through a successful season of American Legion play, when he signed a contract to play for a Minnesota farm team at Sarasota, Florida.

Steve worked on his pitching form that season, trying to change his style from side-arm to overhand. In spite of this work, Steve still managed to finish with a 4-5 record, and with a respectable earned run average of 2.95.

Apparently the Twins were impressed with his skills, and the last of April of this season he was given notice to report for spring training June 5.

This summer Steve was in a regular league, playing for the Auburn, New York, nine in the New York-Pennsylvania League. Notified only two days in advance that he would start the first game, Steve overcame his excitement and pitched 6 2/3 innings, walking three, striking out six and allowing only one earned run.

Steve went on to finish the season with an 8-2 record and an E.R.A. of 1.78, the lowest in the league.

"But pro baseball isn't all glory," says Steve, "we sometimes practiced 5 hours straight, and in that Florida

heat, the pounds sure melt off! I did enjoy the traveling though, and I really have learned a lot about pitching."

With the new American league expansion coming up, Steve and his coaches feel he has a good chance of moving up.

"Since Seattle and Kansas City are going to take several men from each team, that should leave a lot of room for young pitchers," says Steve. "I'm really in hopes of landing a spot on one of the pitching staffs, and according to my pitching coach, I have a good chance."

If the major league scouts go by past records and present ability, those .300 hitters might just have another worry.

Young Reps To Campaign

Young Republicans have launched a personal campaign to help put the Republican Party in office in '68.

In a meeting September 25, the organization decided to help the county, state and national tickets for the election. A membership drive was held October 1-4 with questionnaires available in the cafeteria. On October 12 the Young Republicans will pass out literature on Republican candidates at several Joplin shopping centers.

Halloween night a "Trick-or-Treat for Nixon" campaign will be held in Joplin and Carthage. The club will also sell national election maps and collect donations for the campaign. Bumper stickers will be presented to donors.

Anyone needing further information about absentee ballots may see Bill Pearson or John Garrett.

Regular meetings of the Young Republicans are held Wednesday nights at 7:15 in room H-324.

Air Force Team To Visit Campus

Members of the United States Air Force Officers Training Selection Team will be at MSC from 9 a.m. to 4 p.m., Friday, October 18, in the College cafeteria, to speak with college seniors interested in becoming Air Force officers after graduation.

Men and women graduates are eligible for the OTS program.

Students unable to meet with the selection team may contact Tech. Sgt. LaDue at the Federal Building, Third and Joplin, or call MA 3-7769.

Sociology Club Named Sigma Kappa Omega

The sociology club has formally named itself Sigma Kappa Omega. During the year the club plans to sponsor dances, enter a float in the Christmas parade, invite prominent speakers to campus and take on the direction of the Youth Employment Service of Joplin.

The sociology club's membership drive is now in full swing. Present members who are recruiting students for their organization will be rewarded for their efforts. The person securing the most memberships will have one half of his tuition paid by the sociology club.

London Fog® goes to great lengths for a short coat: The Golf

London Fog® calls it the Golf. But it's as much at home 4,000 feet over Greensboro as it is on the green. The Golf! Impeccably tailored with swing-easy lushly lined raglan sleeves, elastic waistband, zip-front and slash pockets. It's made with wash and wearable Calibre® Cloth (65% Dacron® polyester, 35% cotton), the same material used in London Fog's longer coats, which wards off the wind and repels the rain. The Golf Jacket! That's like calling an airplane a horseless carriage with wings. In a selection of sizes and colors.

SCA Rolls Past Southern, 29-13

The State College of Arkansas Bears built up a 14-0 halftime margin and held on for a 29-13 victory over Missouri Southern at Junge stadium on Saturday night, October 5.

The setback was the fourth in succession for Jim Johnson's Lions, who will travel

PE Department Organizes Club

A coeducational club has been organized for physical education majors and minors. Previously, the only athletic organization had been the Women's P.E. Club, which has now disbanded.

In their first meeting last week, the physical education majors elected their slate of officers for the year. Skip Drouin was chosen president. Other officers are Alan Potter, vice president; Pat Fowler, secretary; and Bob Wagner, treasurer.

The club hopes to have guest speakers from major universities attend their meetings and talk about the aspects of physical education.

The club meets on the first Tuesday of each month, at 7:00 a.m. in the gymnasium. Sponsors are Miss Venus Yount and Dr. Curtis Twenter.

to Russellville, Ark., for a tussle with the tough Arkansas Tech eleven tomorrow night.

The SCA crew broke the ice with 8:42 showing in the first period as Danell Hatchett tallied on a six-yard scamper and Jim Wilson booted the extra point.

The visitors put the game out of reach with 13 points in the third quarter, raising their lead to 27-0. The first TD came with 9:55 remaining on a seven-yard pass from Mike Lally to Rickey McCoy. Wilson's boot gave the Bears a 21-0 margin.

A Lion fumble set up the next score, with SCA scoring from the 14-yard line on a 14-yard run by tailback Frank Richardson. The tally came with 3:13 showing in the third period. The kick failed and the Bears held a 27-0 bulge.

Southern finally got on the boards with 4:21 left in the game on a 42-yard pass play from Pat Wozniak to pass-catching specialist Dale Green. Bert Davis attempted to kick the point after, but the boot was wide.

MSC closed the scoring in the game with 14 seconds showing as Wozniak scored on a one-yard run and Davis booted the PAT.

Wayne State offensive end Gene Wachholtz wards off a would-be Missouri Southern tackler en route to a short gain after receiving a pass from quarterback Chuck Trickler in the Lions' 20-12 loss at Wayne, Neb., on September 2. Gary Selvidge (33) and Ray Basye (62), MSC defensive stalwarts, combined to bring Wachholtz down.

Wayne State Rallies to Down Missouri Southern, 20 to 16

Freshman Marty Going scored a pair of touchdowns in the fourth quarter at Wayne, Neb., on Saturday night, September 28, as the Wayne State Wildcats scored a 20-16 come-from-behind victory over Jim Johnson's MSC Lions.

MSC took the game's first lead with 2:46 left in the first quarter as Bert Davis boomed a 38-yard field goal through the uprights. The score was set up when sophomore guard Bob Sparrow fell on a Wayne State fumble on the Wildcats' 30-yard stripe.

The hosts scored with 3:58 showing in the first half as quarterback Chuck Trickler hit Gene Wachholtz on a 17-yard TD aerial. Don Grubaugh's PAT conversion gave the Wildcats a 7-3 lead at intermission.

Southern came back in the third stanza to regain the lead when halfback Harold Fountain boomed over from the two-yard stripe early in the

period. Davis toed the point after and Johnson's squad boasted a 10-7 margin.

Going put Wayne State ahead to stay on a one-yard scamper with 14:30 left in the game, with Grubaugh adding the point for a 14-10 bulge.

With 9:39 to play in the contest, Going scored from three yards out for a 20-10 lead.

Southern's Pat Wozniak and Dale Green combined on a 57-yard scoring pass for the Lions' final TD with 8:02 remaining.

Harold Fountain (44), Missouri Southern Southern College's 6-4, 190-pound junior halfback, hauls in an eight-yard pass from Pat Wozniak during the final period of the Lions' encounter with Wayne, State on Saturday night, September 28. Closing in on Fountain are Wayne defenders John Rickard (47) and Doug Barry (64).
